

REMARKS

The applicant elects Group I claims (claims 1-8 and 15-19) and thus, withdraws claims 10-14 without traverse. Examination of the elected claims therefore is requested. Applicant wishes to note that the examiner commented on the applicant's voicemail that claim 9 was to be added to Group II. Applicant thus has also assumed that claim 20 also is in Group II since it is in the same format as claim 9. The undersigned requests that the examiner contact Steven Saunders at the below noted telephone number if it will assist further examination.

It is believed that no extension is required for this application. If any additional fees are required for the timely consideration of this application, please charge deposit account number 19-4972.
